EMERGENCY FOOD DISTRIBUTION SINCE 1970

Providing food for today, and hope for tomorrow.

January 2009

Donor of the Month - Representative Sara Feigenholtz

There are few people better to have in your corner than Illinois State Representative Sara Feigenholtz. Lakeview Pantry has been lucky to have Rep. Feigenholtz's support for many years.

Gary Garland, Lakeview Pantry Executive Director, is especially appreciative of the assistance Representative Feigenholtz has given the pantry in securing food for our clients. He says, "State Representative Feigenholtz is an outstanding partner in hunger fighting efforts of both the Lakeview Pantry and those of similar organizations state wide. She has fought to bring tens of thousands of state dollars to Lakeview Pantry so that we can secure hundreds of thousands of pounds of food for those in need in our community. As well, she has worked hard to improve the state oversight process so groups such as Lakeview Pantry can concentrate more on our missions and less on paperwork. Lakeview Pantry is grateful to Rep. Feigenholtz for all she has done for the pantry and the thousands in our community who rely on us for help."

In a recent e-letter soliciting donations for the Pantry, Representative Feigenholtz mentioned that "one of [her] favorite things about Lakeview Pantry is that they do so much more than food distribution. For the homebound and disabled in our community they operate a food home-delivery program. For folks wanting to resolve problems beyond food security, they have a case management program where people can address issues such as health care, employment and housing."

Lakeview Pantry would like to express our gratitude to Representative Feigenholtz for her continued support.
