State Representative Feigenholtz to Host Springfield on Your Corner Events

CHICAGO – On Saturday, October 24, Representative Feigenholtz will host the first in a series of informal community meetings designed to connect with constituents. Constituents are encouraged to stop by to discuss any legislative or community issues, as well as receive assistance with state services. State Treasurer Alexi Giannoulias' office will be on hand to help connect people with unclaimed funds they may have in Illinois.

The first Springfield on Your Corner event will be held on Saturday, October 24, from 11:30 a.m. to 1:30 p.m. at Potash Brothers Market, Sandburg Village, 1525 N. Clark St., Chicago, IL 60610. All 12th District constituents are invited to attend this event.

Representative Feigenholtz believes “this format will be an informal, effective way for residents of the 12th District to personally inform me of their thoughts and concerns about the community, legislation and Illinois’ budget.”

Questions regarding this event should be directed to Stephen Landfear at (773) 296-4141.
