Statement on Temple Sholom Attack

CHICAGO, IL – “I’m deeply saddened to learn of the deplorable event that took place earlier this morning at Temple Sholom. While we are grateful that no one was physically harmed, we cannot ignore the intentions of this heinous act. As a resident and elected official of this community, I know my neighbors have zero tolerance for any and all acts of hatred. We must continue to work together to keep this policy in place and I urge that anyone with information regarding this attack contact local authorities immediately.”

For more information contact Stephen Landfear at (773) 296-4141.
