Statement on Congressman Rahm Emanuel's Resignation

CHICAGO, IL – “On behalf of the constituents of the 12th District I would like to extend a sincere thank you to Congressman Rahm Emanuel for his hard work as our representative to Congress. Rahm has announced his intention to resign as representative of the 5th Congressional District and will be moving on to serve as Chief of Staff to President Elect Barack Obama. Rahm always had a keen understanding of the needs of his constituents and of all Americans and carried that understanding along with a tireless work ethic and innate leadership qualities to Washington and did a wonderful job representing our community and nation. Rahm quickly rose among the ranks and emerged a leader and represented us with great passion and judgment. Thank you for all your hard work. Good luck in our presidential administration and may you continue to lead and represent as you always have. Godspeed.”
